

PASSIVE SUPPLIERS FOR DYNAMIC BUYERS

THE DMTL RANGE

CAPACITORS

Tantalum | Multilayer Ceramic | Microwave | Aluminium | Film
Trimmer | Arrays

RESISTORS

Precision | Thick Film | Thin Film | Potentiometer | Arrays

FREQUENCY CONTROL

Resonators SMD/Leaded | Clock/Crystal Oscillators | Saw Filters

CIRCUIT PROTECTION

Varistors | Transient Voltage Suppressors | Inductors | Coils
Feedthru | Arrays | Balun Transformers

INTERCONNECT

Board to Board | Board to Module | Battery | Card Edge
Wire to Board | Infrastructure | Input/Output | Memory Card
Automotive

AUDIBLE

Piezo Buzzers/Sounders | Piezo Receivers
Piezo Ringers | Microphones

FUSES

SMD | Radial | Resettable

SENSORS

Accelerometers | Knock | Pre-Sensors | Pressure

APPLIED CERAMICS

Actuators | Cleaners | High Power
Ignition | Nebulizers

POWER SEMICONDUCTORS

Bridge Rectifiers | Power Diodes

Complementing our design-in support services we also offer global sourcing and procurement using our extensive Software and Database System and interactive web site www.dmtl.co.uk

At the heart of the site an integrated On-line search facility enables you to submit single and multiple product search enquiries with the option of downloading our complete inventory in a zipped file format.

As an ISO Accredited company, we will ensure that all products sold meet the required standard. Our partnership with blue chip, quality suppliers is your guarantee of quality components.
